

ARIZONA**PRODUCTS:**

- Ephedrine or pseudoephedrine base, or their salts, isomers or salts of isomers. (A.R.S. § 32-1977)

SALES LIMITS:

- A retailer shall not sell to the same person, and a person shall not purchase, products containing more than 3.6 grams per day or more than 9 grams per 30-day period of ephedrine or pseudoephedrine base, or their salts, isomers or salts of isomers. (A.R.S. § 32-1977)

SALES RESTRICTIONS:

- The retailer shall require a person purchasing a non-prescription product that contains pseudoephedrine or ephedrine to present valid government issued photo identification at the point of sale (A.R.S. § 32-1977);
- The retailer shall record all of the following:
 - 1. The name and address of the purchaser.
 - 2. The name and quantity of product purchased.
 - 3. The date and time of purchase.
 - 4. Purchaser identification type and number.
 - (A.R.S. § 32-1977)
- Before completing a sale, a retailer must use an electronic sales tracking system and electronically submit the required information to the national precursor log exchange administered by the national association of drug diversion investigators if the system is available to retailers without a charge for access. (A.R.S. § 32-1977)

SALES EXEMPTIONS:

- A person who obtains the product pursuant to a valid prescription order may exceed the allowable limit. (A.R.S. § 32-1977)

PRODUCT PLACEMENT:

- The retailer must keep nonprescription products containing pseudoephedrine or ephedrine behind the counter or in a locked case where a customer does not have direct access. (A.R.S. § 32-1977)

ELECTRONIC LOG/TRACKING:

- The national association of drug diversion investigators shall forward state transaction records in the national precursor log exchange to the board of pharmacy each week and provide real-time access to the national precursor log exchange information through the national precursor log exchange online portal

to law enforcement in this state as authorized by the board of pharmacy; (A.R.S. § 32-1977)

- The system prescribed in this section must be capable of generating a stop sale alert notification that completion of the sale would result in the retailer or purchaser violating the quantity limits. The retailer may not complete the sale if the system generates a stop sale alert; (A.R.S. § 32-1977)
- The electronic sales tracking system prescribed in this section must contain an override function that may be used by dispensers of ephedrine or pseudoephedrine who have a reasonable fear of imminent bodily harm if they do not complete a sale. The system must log each instance that a retailer uses the override function. (A.R.S. § 32-1977)

PENALTIES:

- A person who violates the log exchange requirements is guilty of a class misdemeanor, punishable by fine only. (A.R.S. § 32-1977)
