

NEW JERSEY**PRODUCTS:**

- Single entity and combination products containing ephedrine (EPH), pseudoephedrine (PSE), and phenylpropanolamine (PPA) (N.J.S.A. 2C:35-25)

PRODUCT EXEMPTIONS:

- EPH, PSE and PPA sold upon prescription or administered by a licensed physician, veterinarian or dentist. (N.J.S.A. 2C:35-25)

SALES LIMITS:

- Sales of single entity and combination EPH, PSE and PPA products are limited to three packages or any number of packages that contain a total of nine grams of EPH, PSE or PPA. (N.J.S.A. 2C:35-25)

PENALTIES:

- A violation of the sales limit is a "disorderly persons" offense. (N.J.S.A. 2C:35-25)
- Proof that a person has possession or more than 30 grams or 10 packages of any single entity or combination EPH, PSE or PPA products creates inference that the person acted with purposes to create methamphetamine. (N.J.S.A. 2C:35-25)

OTHER:

- Every pharmacy, store and other retail merchant must promptly communicate to local law enforcement the confirmed report of or actual knowledge of loss of 30 or more grams of any single entity EPH, PSE or PPA products. (N.J.S.A. 2C:35-25)
