It’s your turn to see a pharmacy in action. NACDS invites members of the 118th Congress to experience first-hand the patient-care power of community pharmacies – the face of neighborhood healthcare.

Through an NACDS RxIMPACT Pharmacy Tour, you will see what your constituents see and take away insights about how:

• Pharmacies help patients use medicines safely and stay healthy
• Innovative pharmacy services do even more to improve patient health and quality of life
• Widely trusted and accessible, pharmacists are extremely valued by those in greatest need
• Pharmacy services improve healthcare affordability.
